Amendment No. 2

Dear Sir/Ms:

The following question has been received:

Question: Is there an addendum coming out for daytime work hours for the hot in place recycling?

Response: Hot In-Place Recycling work is between Sta 10+00 and 192+66 as noted on Page 41 of the contract book. There are no hour restrictions listed in this work area for WIN 18802.00 on Page 59 of the contract book. The hour restrictions on Page 60 apply only to WIN 20211.00 which does not cover the HIPR work.

Question: Can you tell me if there is an addendum coming out on the above referenced project changing the work hours?

Response: No change in work hours.

Consider this change and information prior to submitting your bid on **May 11, 2016**.

Sincerely,

George M. A. Macdougall P.E.
